

THREE RIVERS ACADEMY NEWSLETTER

Edition 01; April 2023

Dear,
Parents and Guardians,

As we come to the end of another term at Three Rivers Academy, we are reminded of God's abundant blessings and grace that have sustained us. We reflect on the blessings that the Lord has bestowed upon us. We are grateful for the opportunity to nurture our students' academic and spiritual growth, and we give thanks to the Almighty for his guidance and protection throughout this term.

This term has been filled with various academic, co-curricular, and character-building activities. We are proud of our students' achievements, and we thank the teachers, staff, and parents for their continued support.

As we come to the end of the second term of the academic year, We are happy to inform you that the third term will commence on the 2nd of May 2023, and we look forward to welcoming all students back to school.

We would also like to invite all parents to our grand opening ceremony, which will take place on the 23rd of June 2023. This is a great opportunity for parents to meet the teaching staff and discuss academic progress, tour the school facilities, and see the progress we have made. We hope to see you there.

As we prepare for the new term, we kindly request that all parents ensure that their children have the necessary equipment for their academic success. Students who have not yet acquired scientific calculators and geometrical sets are advised to do so before the start of the term.

TRA STUDENTS DIGITAL LEARNING

These tools are essential for mathematics and science classes and will help your child excel in these subjects.

Additionally, we request that each parent buy at least one storybook for their child. This will help to improve their English language and reading skills, which are crucial for success in all academic areas.

The school also request your support in registering your child for scouting club. This club provides a safe and engaging environment for your child to develop valuable life skills, such as teamwork, leadership, and responsibility. The annual national registration fee for the club is 100 shillings per child, which helps cover the cost of activities, and training materials.

Regarding the school uniform, students are allowed to wear croocks, black sweatpants, Black hoodies white t-shirt, and red t-shirt. This extra clothing should be plain without any writing or graffiti. Please ensure that your child adheres to the uniform policy to maintain uniformity and discipline within the school.

Important School Dates to Note:

Opening Day: **02th, May 2023**

Mid-Term: **30th June – 4th June, 2023**

Grand Opening of TRA: **23rd, June, 2023**

As a school, we believe in providing our students with various opportunities to learn outside the classroom. We are proud to inform you that our students had the privilege of participating in three academic trips this term: a trip to Grey stones LTD, a trip to Ol Jogi Animal sanctuary and a trip to the William Holden Wildlife Foundation Education Centre.

During their visit to Grey stones, the students had an amazing opportunity to learn about innovative and sustainable farming practices. They were introduced to the concept of black soldier fly farming, a process that involves using fly larvae to convert organic waste into high-quality protein for livestock feed. The students were fascinated by the efficiency and eco-friendliness of this approach. In addition, they learned about modern free-range pig farming, which prioritizes animal welfare and natural habitat. They saw first-hand how these practices can not only benefit the environment, but also produce healthier and tastier meat products.

At William holden, the students were excited to learn about the center's conservation efforts and see some of the country's native wildlife up close.

During the visit, they were given a tour of the center's facilities.

At Ol – Jogi ,the students were able to learn about the conservation efforts being made to protect wildlife and their habitats, as well as the importance of preserving these species for future generations. The students also had the opportunity to go on a guided game drive and observe the animals in their natural habitats, which was a once-in-a-lifetime experience for many of them.

We are confident that these experiences will shape our students into well-rounded individuals who are globally aware and responsible citizens.

Sports

We would like to inform you that our school participated in the football PIPPSA tournament, and our students emerged as winners. We are proud of our students' sportsmanship, dedication, and teamwork, which led to this achievement. We congratulate all the students who participated in the tournament and thank the coaches who trained and prepared them.

Safety & Emergency Training

At Three Rivers Academy, we are committed to ensuring the safety and wellbeing of all our students. We believe that safety and emergency preparedness are critical aspects of student life, and therefore, we trained our students in First Aid and Fire and Safety awareness this term.

The training equipped students with essential skills such as, identifying and responding to emergencies, providing first aid, and using fire and safety equipment. We believe that these skills will not only benefit our students while in school, but also in their future careers and personal lives. We encourage parents to continue reinforcing safety skills at home by discussing emergency preparedness and first aid with their children.

Calling Time

As part of our efforts to enhance communication between our students and their families, we have increased the number of phones to six that will be used for communication over the weekends.

The boys' phone lines are 0741153720, 0716582686, and 0714805754, while the girls' phone lines are 0769948897, 0719675588, and 0713868825.

We would like to remind you that calls are made on Saturday and Sunday between 2pm and 4pm, after which the students go for games. We would like to request that you avoid calling outside the designated time as it may interfere with the school's program.

We would also like to inform you that some weekends may be overtaken by events that come up, and as a result, students might not be able to access the phones. In such cases, the phones may not be switched on. Kindly wait for official communication from the school.

School Communication & student Pocket Money

In our efforts to enhance communication with you and streamline administrative processes, we have designated a phone number that you can call in case of any urgent matter that requires the attention of the principal. The number is 0715019042, and it belongs to our assistant administrator who will be responsible for receiving your calls and addressing your concerns.

We kindly request that you direct all pocket money for your children to this number to ensure that it is handled efficiently. By doing so, we can ensure that the process is smooth, and your child receives their pocket money promptly. Please note that the assistant administrator will keep accurate records of all transactions made and ensure that they are reflected in your child's account.

Fees Payment

We believe that this step will enable us to serve you better and enhance the overall experience of your child at Three Rivers Academy. We assure you that our assistant administrator will handle all queries and concerns with utmost professionalism and efficiency.

As we prepare to begin a new term, we would like to remind you of the importance of paying your child's school fees on time. We kindly request that you make the necessary arrangements to ensure that the fees are paid by the opening day of each term. This will enable us to have a smooth running of the school and provide your child with the best possible education.

To make the payment process easier, we have provided two payment options.

You can either pay through our **Mpesa paybill number**, which is [**Paybill: 329 329 Account No: 0102 879 902 200**]. After paying through Mpesa, kindly forward the same text to the accounts office number 0713192598 **or** make a direct deposit into our school's bank account. The account details are as follows:
Bank : **standard chartered Bank**
Account Name: **Three Rivers Academy Trust Registered Trustees**
KES Account No: **0102 879902 200**
Swift Code : **SCBLKENXXXX**
Bank Code : **02**
Branch : **Nanyuki**

We appreciate your cooperation in this matter and look forward to your continued support as we work together to provide the best education for your child.

Finally, as we celebrate the Easter holiday, let us remember the ultimate sacrifice that Jesus made for us and the love He showed for all of humanity. As parents, let us take this opportunity to teach our children about the importance of this holiday and how it represents the hope of new beginnings and a renewed sense of faith. Let us cherish the time we spend with our loved ones and embrace the joy and blessings that come with this special season. From all of us here at TRA family, we wish you a blessed and Happy Easter!
